Happy Hummer Garden Tray

Hummingbirds are a winged wonder in the garden!

Create a sugar laden paradise in your garden for these amazing creatures!

Simply Native Nursery is offering a complete hummingbird garden

in a single 32 pot plant tray.

We've taken the guess work out of plant selection choosing 11 Hummer favorites to invite them to stop and take a sip.

Tray will contain a season long energy drink for these fascinating flyers. Plant list includes Gayfeathers, beardtongue and other plants that provide a long season of bloom (nectar).

Reserve yours today via email:

contactsimplynativenursery@gmail.com or

phone 309-371-9598 and request a **Happy Hummer Garden Tray**.

Price \$109/tray and includes shipping (sales tax extra)

Price \$99/tray for pick up orders (sales tax extra)

See our website for other **Pollinator Garden Trays**

Don't delay, order today to provide a safe Haven for the Hummingbirds. You will be rewarded by flying flowers in your garden, while creating a hummingbird refuge.
